At a Glance

OVER ONE HUNDRED YEARS AGO,
military spouses organized the first Navy-Marine Corps Ball
to raise funds for the Navy-Marine Corps Relief Society
and to celebrate the support of its contributors.

Today the annual event continues, thanks to dedicated
spouses and the financial generosity of corporations,
organizations, and individuals who fund this valuable work.

In 2018, the Navy-Marine Corps Ball Committee donated over \$472,000
to the Navy-Marine Corps Relief Society. As a charitable, non-profit organization,
expenses for this event are paid from the proceeds of ticket and table sales
and contributions go directly to the Society.

The event provides an opportunity to publicly express gratitude
to corporate donors, local businesses, and philanthropic individuals.
Your generosity in support of our Sailors, Marines, and military families
is greatly appreciated.
